

emg Symphony Orchestra

Friends of EMGSO

The Friends support the Orchestra which stages classical and popular concerts. The annual subscription is £12 per person or £20 for a family. This is used mainly to buy equipment for the Orchestra; we have had new timpani, recording equipment and some other musical instruments.

Friends may claim a 20% discount on tickets they buy for concerts. The profits from the ticket sales benefit the charity associated with the concert, i.e. Lifeboat Institution, Hospiscare etc.

If you would like to support us by becoming a Friend, please send your subscription plus SAE to:
